- Parkinson's
- Cancer
- Arthritis
- Diabetes

Person-centered. Home-inspired.

An evidence-informed approach to caring for those with Alzheimer's disease or other dementias, built around a deep understanding.

01

It starts with thoroughly understanding the client's current physical, emotional, and cognitive status.

02

A personalized care plan is tailored to the client's unique needs – respectfully honoring their life before dementia.

03

Trained Care Pros receive specialized instruction in Home Instead's person-centered care approach.

04

Regular engagement in meaningful activities, establishing routines, and assisting with social connections.
